PRODUCT CARE

Thank you for choosing our furniture. With proper care and maintenance, your furniture will retain its appearance, comfort, and performance for years to come.

This guide covers multiple materials. Please refer only to the care instructions applicable to the materials used in your product.

UPHOLSTERY

- Vacuum regularly using a soft brush attachment.
- Blot spills immediately with a clean, absorbent cloth. Do not rub.
- Clean stains with a mild fabric cleaner, testing first on an inconspicuous area.
- Avoid prolonged exposure to direct sunlight to minimise fading.
- Do not use bleach, solvents, or harsh chemicals.

PAINTED FINISH

- Dust regularly with a soft, dry microfibre cloth.
- Clean with a soft, damp cloth and a mild soap solution if needed.
- Dry thoroughly after cleaning.
- Avoid abrasive cleaners, solvents, and scouring pads.
- Protect the surface from excessive heat, prolonged moisture, and direct sunlight.
- Use coasters, placemats, and felt pads to help prevent scratches, stains, and heat marks.

PAPER FOIL / MELAMINE FINISH

- Wipe clean with a soft, dry or slightly damp cloth.
- For stubborn marks, use a mild soap solution and dry thoroughly.
- Avoid excessive moisture, abrasive cleaners, and harsh chemicals.
- Protect the surface from heat, sharp objects, and standing water.
- Always use coasters, placemats, and protective pads.

METAL PRODUCTS / METAL FINISH

- Dust regularly with a soft, dry microfibre cloth.
- Clean with a soft cloth dampened with warm water and a mild soap solution when needed.
- Dry thoroughly after cleaning to help prevent water spots and corrosion.

- Do not use abrasive cleaners, steel wool, scouring pads, or harsh chemicals.
- Avoid prolonged exposure to excessive moisture, salt air, and standing water.
- Protect the surface from scratches by avoiding sharp or abrasive objects.
- For powder-coated or painted metal finishes, avoid affects that may chip the coating.
- Use felt pads or protective accessories where metal components come into contact with other surfaces.

MIRROR

- Clean using a soft microfibre cloth.
- Spray glass cleaner onto the cloth, not directly onto the mirror.
- Wipe dry with a clean cloth for a streak-free finish.
- Avoid abrasive cleaners, scouring pads and harsh chemicals.
- Keep the mirror edges dry to help preserve the reflective backing.

GENERAL CARE

- Use furniture only for its intended purpose.
- Lift furniture when moving or repositioning; do not drag.
- Maintain a stable indoor environment, away from excessive heat, humidity, and direct sunlight.
- Do not place excessively hot, wet, or sharp objects directly on furniture surfaces.
- Periodically inspect and tighten all fittings on assembled furniture.

IMPORTANT INFORMATION

- Follow only the care instructions applicable to the materials used in your product.
- Natural variations in colour, grain and texture are inherent characteristics of many furniture materials and enhance the unique character of each piece. They are not considered manufacturing defects.
- For significant damage, persistent stains or structural concerns, professional cleaning or repair is recommended.
- Failure to follow these care instructions may affect the appearance, performance, and longevity of your furniture.

Thank you for choosing our furniture. We hope you enjoy it for many years to come.
