STEP 19

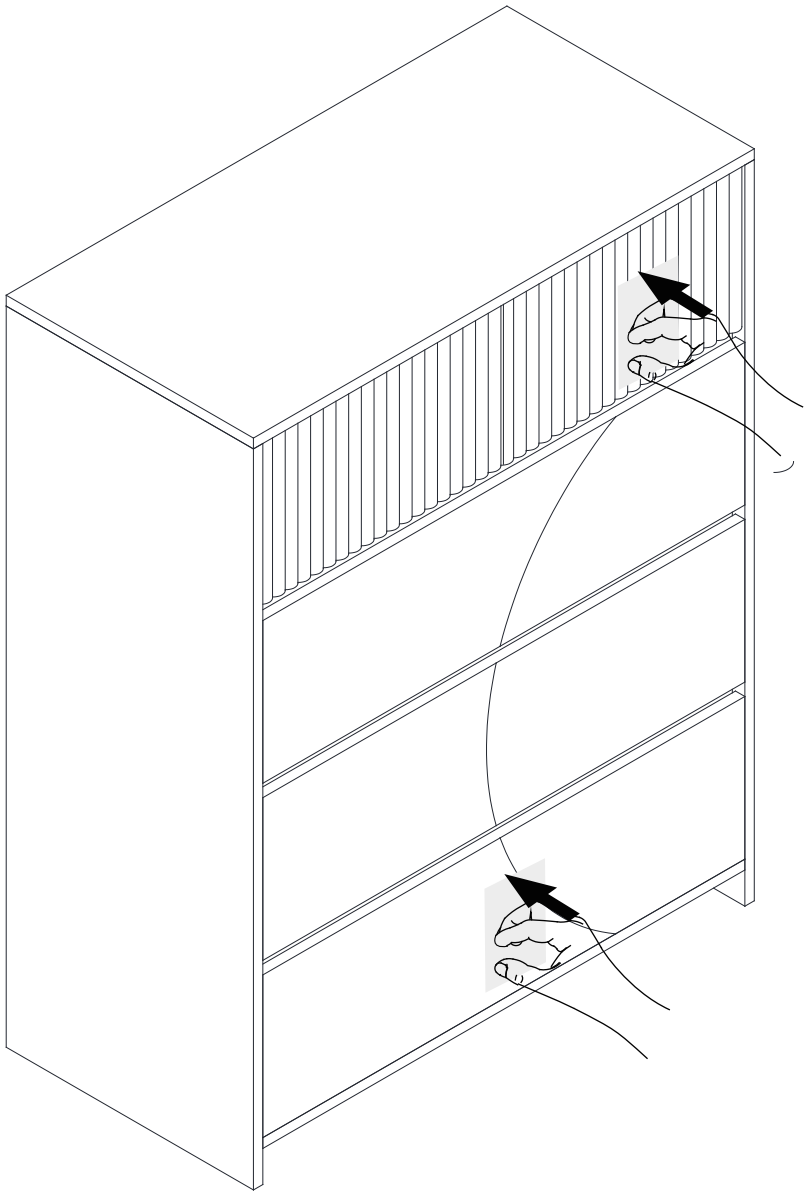

STEP 20

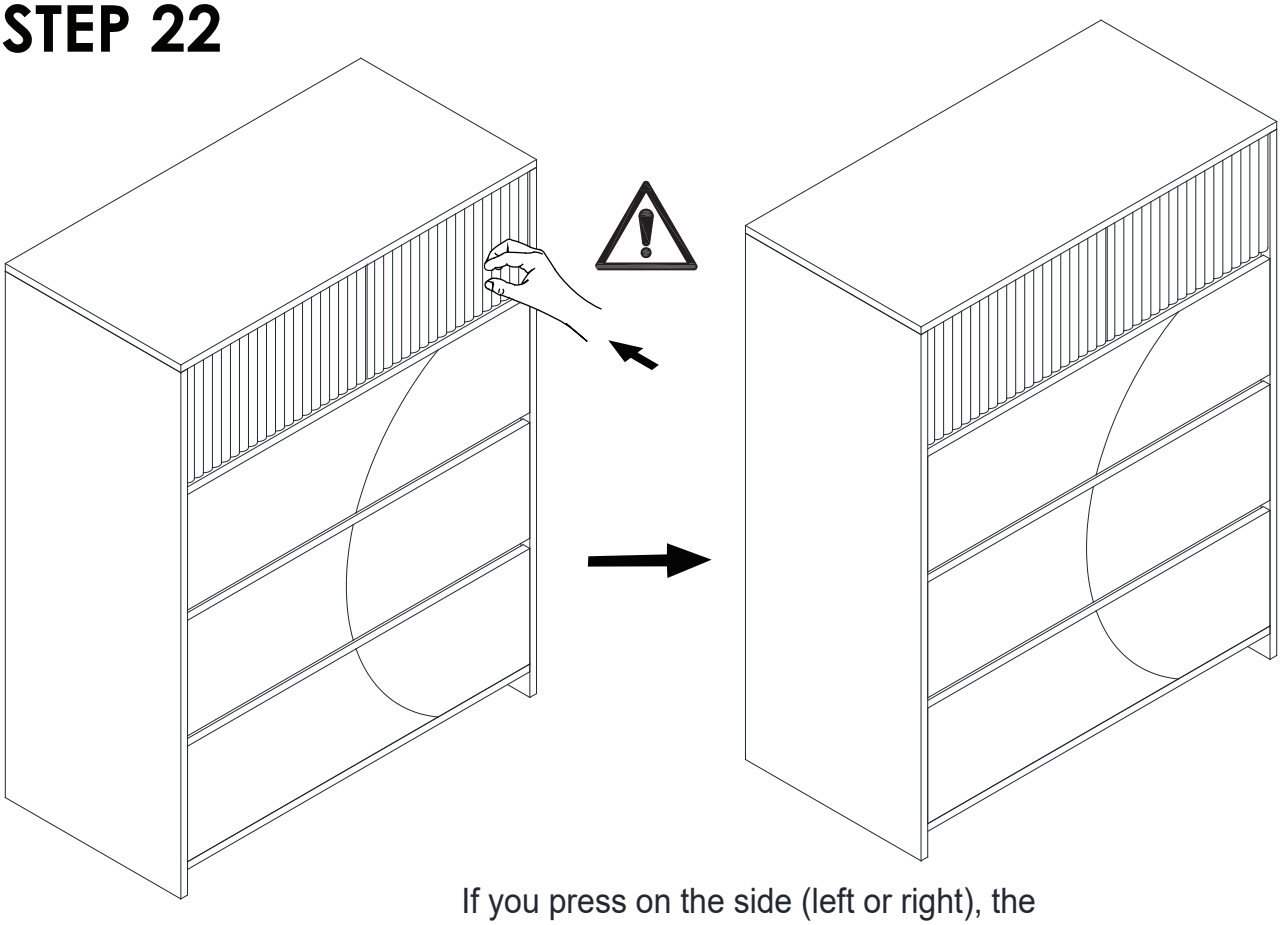

STEP 21

To open the drawers smoothly, gently push on the labeled area. This will release the mechanism and allow the drawer to slide out easily.

STEP 22

If you press on the side (left or right), the drawer may not slide out, as the release mechanism is positioned in the center.
In this case,simply press again on the same point to reposition the panel and try again with press on the Centre.
